THANK YOU FOR YOUR ORDER

5 and 10-User Requirements
You may use the license:
- on 5 or 10 (depending on what you purchase) individual workstations (total)
- or you may install and use the program from a network server, but only if network monitoring software is employed which allows no more than one user per licensed program at any time. NOTE: Network monitoring software is not included with our applications.

Each 5/10 user license includes: master networkable application, an electronic manual, and 5/10 licenses.

Media Information:
All products ship on CD-ROM.
- KaleidaGraph Win CD's supports Windows XP SP3, Vista, 7, 8 and newer.
- KaleidaGraph Mac CD's supports PowerPC or Intel processor, Mac OS X 10.4 or later.

Lost CD/Computer Crash
- If you have v4.5, you can order a replacement CD for $20 or request a download link for $15. This must be handled directly with our sales department (800-876-8376).
- If you have v4.0/v4.1 your best bet would be to purchase a physical upgrade to the current version. If you prefer to have v4.0/v4.1, a CD can be ordered for $30 from our sales department (800-876-8376). V4.0/v4.1 are not available via electronic download.
- If you have version 3.6 or earlier, you need to purchase an upgrade to the current version.
