5 AND 10-USER REQUIREMENTS

You may use the license:
- on 5 or 10 (depending on what you purchase) individual workstations (total)
- or you may install and use the program from a network server, but only if network monitoring software is employed which allows no more than one user per licensed program at any time. *Note: Network monitoring software is not included with our applications.*

Each 5/10 user license includes: master networkable application, a manual, and 5/10 licenses.

MEDIA INFORMATION

All products ship on CD-ROM.
- KaleidaGraph/Win CD's supports Windows XP SP2, Vista and newer.
- KaleidaGraph/Mac CD's supports PowerPC or Intel processor, Mac OS X 10.3.9 and later.

LOST CD / COMPUTER CRASH
- If you have the current version, you can order a replacement CD for $20 or request a download link for $15. This must be handled directly with our sales department (800-876-8376).
- If you have an older version, your best bet would be to purchase a physical upgrade to the current version. If you prefer to have your older version, a CD can be ordered for $30 from our sales department (800-876-8376). Older versions are not available via electronic download.
